In our 9+
year old

learned
that no
matter
how
"broken"
we are,
Jesus is
there to
heal us.

Jesus heals

Our 6+ year olds
learned all about
"healing" and how
much we need to know
to heal people. We
played Bandaid Olym-
pics to practice what
we learned. We
learned that Jesus had
the power to heal the
soldier's son without
even touching him!

Golden Ray Sunday School Class - Weekly traditional,
